ERRIA at a glance

The Company

Founded in 1992, Erria A/S was listed on NASDAQ First North Copenhagen in 2007.

Today, Erria is a maritime 'one stop shop' with presence in several countries around the world.

Erria is a Danish conglomerate involved in shipping, offshore operations, logistics, and trading, serving major international clients who outsource their maritime operations.

The company has a significant presence in Asia, where it leverages its extensive 20+ years of experience in Vietnam and Singapore.
